THE GREATER SUDBURY LEARNING CLINIC

www.thelearningclinic.ca

**THE LEARNING CLINIC RADIO SHOW
HOSTED BY ROBERT KIRWAN
MONDAYS FROM 1:00 P.M. TO 3:00 P.M. ON CKLU 96.7 FM**

DIRECTIONS FOR GUESTS:

Please try to be at the studio approximately 15 minutes before you are scheduled to go on air. If you are going to be late, you can contact Robert Kirwan on his cell phone at (705) 562-7793 or you can call the Radio Station at (705) 673-6538 Ext. 1. Keep calling until someone answers.

Please refer to the Laurentian Campus Map for the following:

1. Take the first entrance to Laurentian University and proceed along University Road until you come to the first entrance to the visitor's parking lot which is marked P 4 on your map. There is no gate at the entrance but you will need to get a parking ticket from a machine upon entering. The cost is \$2 per hour.
2. There are three entrances to the Arts Building across from the parking lot. This is Building "4" on your map. Take the entrance on the far right.
3. When you enter the outside doors, proceed up the short flight of stairs and go through the next doors into the hallway. You will see some stairs to your right. Go up those stairs and through the glass doors at the top of the stairs.
4. As soon as you go through the glass doors, turn to your right and go through the next set of glass doors, proceeding up the stairs to the next floor. At the top of the stairs you will go through another set of glass doors and find yourself in the Student Lounge.
5. Follow the rounded half-wall to your right and you will soon see an open stairway leading to the next level. Take those stairs and turn to your right at the top. Immediately to your right is the CKLU studio. It is pretty well exactly where you see Building "2" on your map.
6. When you look through the glass windows you may be able to see the actual broadcasting room. Just knock on the door and someone should be there to meet you momentarily.
7. If you have any questions, do not hesitate to contact me. You can find out more at the web site by going to the following link:
